(Patent Pending)

Cable skinning is very damaging to blades, so protect your personal pocket knife and stop wasting time sharpening the blade. Klein's new folding Cable Skinning Utility Knife has a replaceable sheepsfoot blade. After a long session of cable skinning, just replace the blade and get back to work.

Pocket clip for secure storing/carrying in shirt pocket or on a belt

Easily replace used blades with Klein's Replacement Blades (patent pending) exclusively designed for the Cable Skinning Utility Knife
