

## Grip-All 6 ft (1.8 m) with Universal Head

By Chance Lineman Tools & Equipment

Catalog # [C4030292A](#)

GRIPALL - 6FT 8IN - W/ UNIVERSAL HEAD, The most versatile tool in a lineworker's hands, the Grip-All stick puts an easy-to-control "finger" on an insulated pole. Although primarily designed for installing hot-line and grounding clamps, it serves both overhead and underground circuits with various end fittings. Commonly called a "shotgun," the operating mechanism incorporates a sliding hand grip that opens the hook to grasp a clamp eyescrew and retract it into the tool head. A thumb latch then must be depressed to release the locked hand grip so it can open the hook. While the tool head is of Lexan® for close-quarter operations, the worker must maintain recommended working distance solely on the Epoxiglas™ pole section of the handle as the hook and its actuator are metal parts. Easy to care for, Grip-All sticks do not require field stripping to clean. All insulated parts including the operating rod are outside the main pole, readily accessible to wipe dry. CAUTION: Do not clean the plastic head with solvent.

### Features

- Operating mechanism incorporates a sliding hand grip that opens and retracts the hook
- 6.75 inches (171 mm) of head travel)
- All insulated parts are externally mounted for ease of care and maintenance, no field stripping needed
- Stainless-steel components include Jaw, Jaw Holder, Safety Stop, Lockbar and Latch

### General

Catalog Number	C4030292A
EU RoHS Indicator	No
Storage Bag Included?	P643-6 (Bag not included. Must be ordered separately.)
Style	Standard
UPC	096359018070

### Dimensions

Dimensions	85 in x 4.38 in x 4.38 in
Dimensions Metric	215.9 mm x 11.1 mm x 11.1 mm

Height	4.38 in
Height Metric	11.1 mm
Length	85 in
Length Metric	215.9 mm
Weight	10 lb
WeightMetric	4.5 kg
Width	4.38 in
WidthMetric	11.1 mm

### Certifications And Compliance

Buy America(n) Qualified	TAA Compliant (All status valid till December 2024)
