

Hydra-Cool™ Climber Pads

Bi-Layer Comfort System

Featuring exclusive bi-layer climber pads for superior comfort and support!

Top Layer: Moisture-wicking with both cooling and thermal insulating properties.

Bottom Layer: PORON® cushioning, absorbs impact, resists water, and conforms to the leg for comfort.

- Protective polyurethane-coated leather resists weathering, water absorption, and cracking.
- One size fits most, sold in pairs. Includes metal insert and Velcro® strap closure.

Cat No. 2214
